Attention all young people - Can you help?
Have you seen these three custom mountain bikes
stolen from Streetly on the 8th - 9th June?

Could you please keep your eyes peeled for the bikes in the attached images. They were stolen from a garage in Foley Road West, Streetly on the 8th or 9th of June.

They have a combined value of over £5000 as they are custom mountain bikes.

The **Whyte46** is a limited edition and look exactly like the bike in the picture. This has been customised with non standard parts.

The **Kona Shred** is a brown smaller bike. Again customised.

The **Kona Explosive** looks like the picture except it has a custom seat on it which is a piece of leather stretched over a metal frame and has brass rivets at the rear and peak of the saddle. It has no padding in it and its green leather.

If you have any information please contact PC Tricklebank of the Streetly and Pheasey Neighbourhood Team on 0345 113 5000 ext. 7881 6523
