**Spring is here? - And so are the
THIEVES so you NEED
to protect your Property!**

- 1. Remember to always lock your doors and windows. We say it all the time but still people forget!**
 - 2. Make sure your garage and or garden shed is secure and alarmed. Lots of valuable tools and garden furniture are kept in them**
 - 3. Post Code your valuable items. You might then get them back**
 - 4. Don't leave property on display in vehicles. It only takes a second to smash and grab your property, clean that Sat Nav Ring off the windscreen and don't keep it in the glove box!**
 - 5. Keep a "Lookout" for the unusual and tell the Police. Be a good neighbour and do something**
- Get Wise and don't become a Victim of Crime!**

WHAT WOULD YOU DO?

If you saw something happening that was unusual or suspicious when you were out and about. Ask yourself what you would do?
